

## TIME-10 Process Control Stopwatch

Optimize process phases by analyzing and precisely timing each task. When improving process flow, verify improvement times and cost savings on production floors or assembly lines with precise stopwatches.

- Chronograph: 1/100 stop watch, split/lap time
- Time display: hour, minute, second, day, week day, month and year
- Alarm function
- Hourly chime
- Water resistant

### No hassle warranty

*No waiting.*

*No shipping  
charges.*

Our commitment to high-quality products and customer service is demonstrated by our industry exclusive "No Hassle" warranty. In the unlikely event that an Amprobe Test Tool requires warranty service, any of our local dealers are authorized to replace it, on the spot.

(note: \$500 MSLP limit)
