

FLIR VS70 Videoscope

The FLIR VS70 is a rugged, waterproof and shock-resistant videoscope that features intuitive handset controls that enable users to maneuver the narrow camera probe into tight spaces to deliver vivid and sharp video and images to a large 5.7" color LCD display. Advanced inspection solutions, expansion cameras, and add-on accessories enable users to expand their FLIR VS70 to address many different inspection needs.

- Rubber-reinforced case is waterproof and capable of withstanding two-meter drops (IP67-rated)
- Handset controls allow users to select 180-degree or 90-degree camera angles
- Record video and images that transfer to a PC via SD card or USB port
- Voice annotate video recordings to add critical details with included headset
- Extended battery life accommodates a full day of inspections without recharging
- USB-based charging system enables users to charge at home, on the road, or at the job site.
- Base system is also available with a wide range of handsets, camera probes, and wireless options

Includes:

- Hard Case, User Manual, Power Adapter, Headset, Car Charger, Shoulder Strap, Camera Cleaning Kit
